Regulations & Compliance

2017 brings many proposed legislative changes that will affect our industry. Some will bring benefits while others will bring problems. We at Credex are focused on these issues so that we may react quickly to keep our software compliant for our clients.

It is also imperative that you stay abreast of these issues and contact your legislators to insure your interest are heard and represented.

Below are bills currently on our radar:

<u>State</u>	<u>Bill Numbers</u>
Alabama	HB 249, 284, 314, 321,
Florida	HB 385, 347, SB 872
Georgia	HB 143, 353, 523

Indiana	SB 245
Illinois	HB 3774
Iowa	HF 512, SF 418, SSB 1118
New Mexico	SB 15, HB 347
Ohio	HB598, SB 24
Oklahoma	HB 1913
Tennessee	SB 256, HB 390
Texas	HB 197
Virginia	HB 1817

Did you know?

Have you noticed the new additions to our website? If not, check us out at www.credexsystems.com. Several new items have been added to better the visitor experience such as a new video, additional testimonials and an expanded News section which includes an archive of past newsletters.

Clients, ever wonder if you have the latest update? A little tweaking in this area helps to answer that question. You can also check real time status of our hosted system. These are just a few things added to enhance your experience and keep your system running smoothly.

In our next newsletter, we will be announcing an exciting security upgrade to Unity, so stay tuned.

Until next month,
Michael
