20 Years and Going Strong!

The guys, Michael and Brent, recently dropped in on two of our twenty year clients! Pictured below is **Blue Hole, LLC** in Cullman, AL. I am sorry to say we did not have a picture at the time of publication, of **Loan Services of Tupelo** in Tupelo, MS. Hopefully we will be able to add one at a later date.

We are very grateful to these two companies who have continued to believe in and support us for the last twenty years. Here's to at least twenty more!

Blue Hole, LLC of Cullman, AL

Did you know?

'Tis the season to reflect on the year ending and look forward to the one upcoming. 2016 was an interesting year to say the least... the CFPB, with all its proposals, rulings, and court cases, and of course, the Presidential election. We have never seen a year like 2016, and normally I would say we probably wouldn't see another one like it for a while, but it looks like craziness is becoming the norm.

We hope 2016 was a good year for everyone and 2017 will continue that trend. I want to thank all our customers, partners, and friends for trusting us with an important part of your business, and I am proud of all the work we have done together this year.

As an early Christmas present, we wanted to take this opportunity to let you know that we will not have a price increase on any of our products or services in 2017 for existing customers.

We at Credex hope that as the year draws to an end, that each of you experience the Happiest of Holidays, the Merriest of Christmas' and a Joyous New Year.

Until next month,

Michael
